The Chief Secretary
to the Government of
His Highness the Maharajah of Mysore,
Bangalore.

Sir,

The Members of the above Association representative of the Jaina Community in Mysore beg to tender their grateful thanks to the benign Government of His Highness the Mahrajah for the liberal and esteemeed policy embodied in the recent Reforms, viz., the removal of inequalities in representation, by reserving a certain number of seats for nomination of qualified members from the minorities, and I am desired, as President, to convery same to Government on behalf of the Association.

I am further desired to represent to Government that as per the 1921 Census the Jaina Community in Mysore has a population below 20,000 and so, not being able to secure representation through the general electorates desires to request that the Government may be pleased to classify it under the minorities which deserve special treatment. The question of

(8 9 2

of population apart, it is a community of recognised importance in the State and consists a sufficient number of educated and enlightened members fully qualified for being entertained to the political assemblies of the State. It has been recognised by Government as being entitled to special representation in their Order No. G. 25279 - 80 R.A. 29 - 20 - 6 dated the 30th June 1921 and had the honour of returning a duly elected member to the representative Assembly up till the last Session. We pray that in the forthcoming reconstitutions, Government may be pleased graciously to extend the privilege of deputing a member of our Community to the Representative Assembly, apportioning one of the 25 seats reserved for special allotment under para 1 of notification No. P. 2395 - Legis. 12 - 23 - 2 dated the 7th November 1923, also to grant us one of the eight seats reserved for non-officials in the Legislative Council under Notification No.P.2401 Legis.13-23-1 dated the 7th November 1923, for which kind privileges the entire Jaina community of Mysore will be grateful.

In conformity with the policy of Government insisting as far as possible on the members returned being duly elected from recognised associations of the respective communities, we beg to state that the Jaina Education Fund Association, Mysore is a duly qualified electorate in our Community for the above

(9 10

purpose. It has been formed for the furtherance of the following special interests of the Community and for its general advancement. It has been registered under the Mysore Societies Registration Regulation No.3 of 1904. It consists of two hundred members representing the various parts of the Province and besides, has nearly two hundred other members who are contributing less than the minimum fees prescribed for membership. It is governed by a managing committee consisting of respectable members elected from among the Life, First and Second class members. The territorial area coming under its activities comprises the whole of the Mysore State.

The approved special interests it serves are as follows.

1) To promote the education of its young men by means of local and foreign scholarships and loans for advanced studies.

2) To educate the community liberally by publishing Journals and Magazines on modern lines.

3) To preserve and publish the monumental ancient Jaina works of literature and art.

4) To encourage and affiliate Branch Associations with similar objects throughout the State.

5) To advance the Community's political status.

(10 11

6. To elevate the Social and Economic condition of the community in all possible ways.

From the above it will be seen that the Association fully satisfies the conditions laid down by Government for being qualified as an electorate, and we earnestly pray that through this electorate the Jaina Community may graciously be granted a special representation in the Representative and Legislative Assemblies when reconstituted.
